**JANUARY
2023**

Each month, MSAC shares a list of artist opportunities! These opportunities are pulled from the MSAC [Online Resource Bulletin](#), maintained by Maryland Art Place, which includes regional, national, and international exhibition opportunities, public art opportunities, grants, fellowships, residencies, artist registries, and information on available studio spaces in the area.

The Resource Bulletin is updated throughout the month, and you can always access it by [clicking here](#). Do you have something to add? Email Caitlin Gill at caitlin@mdartplace.org.
